STAKEHOLDER CONSULTATIONS FOR E-GOVERNMENT PROCUREMENT SYSTEM PROJECT ON INTEGRATION

The Public Procurement and Disposal of Assets Authority (PPDA), with funding from the World Bank, is currently executing the e-Government Procurement System (e-GP) project in Malawi to enhance the efficiency and digitization of public procurement processes. To implement the e-GP system, PERAGO SYSTEMS LIMITED has been selected as the vendor, and they have commenced their work as per the agreed-upon plan. As part of their preparations, PERAGO SYSTEMS LIMITED will be meeting with integration partners to devise an interim strategy for seamless integration between the systems.

In light of this, a delegation from PERAGO SYSTEMS LIMITED, accompanied by officers from PPDA, is scheduled to visit your esteemed institution during the week of August 7th, 2023. The purpose of this visit is to engage with relevant personnel and hold discussions concerning the preliminary activities of the project, with a particular focus on integration

matters. Your valuable input and collaboration in this endeavor will play a crucial role in the successful implementation of the e-Government Procurement System project.

For more information, please contact Mrs. Gloria Thupi at gloria.thupi@ppda.mw or +265 995 877 889.

Your cooperation will be highly appreciated.

Yours faithfully,

Dr. Edington Chilapondwa
